Nomination for 2004 Tea Leaf Club Exceptional Service Award

Resolution Number 4 - Exceptional Service Award

Through this action, Tea Leaf Club International establishes its intent to recognize those who make exceptional contributions to the Club and its membership. Such exceptional accomplishments might include service to the Club, significant collection of Tea Leaf leading to the enrichment of the membership, and/or research, education and documentation. In order to keep this award at a high level, it should not be expected or granted for service as an officer or for committee activities unless such participation, as deemed by the selection committee, has been consistently and demonstrably exceptional.
This recognition will be named the Tea Leaf Club International Exceptional Service Award.

Selection Process

Nominations, along with supporting documentation, are to be sent to a designated member of the Board of Directors who will act as coordinator for the selection process. Nominations will be solicited from the membership as a whole prior to each annual convention, as well as the Board of Directors. The Board of Directors will meet prior to the annual convention to review all nominees and to vote on recipients. The Board of Directors will make all decision(s) regarding the detailed voting process and selection of recipient(s). In any year, no award, one award or multiple awards may be given. The award will be announced by a Board member at the annual convention. A sheet showing past ESA recipients is in your May Readings.
